

# Winter Acting Camp

**Helping children to discover originality, creativity and develop imagination!**

*Our 5-day camps provide hands-on experience in a real theater.*

*Under the guidance of theater professionals, each group creates, writes, produces, and performs their very own show on the last day of camp.*

**AGES 4-6 WORKSHOP GROUP:** Looking for the perfect way to channel your little one's creative energy? In this action-packed camp, our youngest actors rehearse and perform a short play that they help to create from their own imaginations! This highly structured workshop, geared for young attention spans, includes a variety of exciting, fun-filled activities: puppet, costume, scenery and prop-making, theater games, music, and movement. While having a great time, your child will learn to listen, follow directions, remember, focus, accomplish objectives, take turns, work with others in a group situation, compromise, perform in front of an audience, and use the imagination.

**AGES 7-11 WORKSHOP GROUP:** Does your son or daughter like to pretend? This moderately structured camp will unlock your child's creativity and take him/her on a week-long adventure into the imagination! Young actors choose their own characters and put them all together into an original story, which they write, rehearse and perform as a mini play on the last day of the workshop. While having fun and making new friends, your child will improve his/her ability to listen, follow directions, compose a story, understand conflict & resolution, develop a character, accomplish an objective, collaborate with peers, perform in front of an audience, and use the imagination.

Final performances are held on Friday during the last half-hour of camp.

ALL-DAY campers perform two different shows (11:30am & 3:30pm).

All campers receive a cast photo & Gemini Theater Hoodie on the final day of camp!
